Inspired by the history and elegance of reclaimed teak, the Reclaimed Teak Bedroom Collection is constructed with solid teak planks, showcasing the natural beauty and intricacies of the material. The Solid Reclaimed Teak is salvaged from the central Java region of Indonesia. These platform beds are made of Solid Reclaimed Teak. The dresser drawer fronts are constructed entirely of solid reclaimed teak, while the case backs are Anigre veneer with an Almond finish. All pieces are finished with environmentally sensitive water-based finishing product to protect against cracking and surface damage and the cases are constructed with a CARB P2 certified wood composite core.
